Dear Frank,

**VICTORIAN ELECTRICITY DISTRIBUTION NETWORK (VEDN)
CIVIL RE ACCREDITATION APPLICATION – REGISTRATION # CW155**

I would like to advise your application for civil reaccreditation with the VEDN has been reviewed following an audit by your VEDN Recognised Systems Auditor. Your reaccreditation has been approved for the following categories:

1. Pit, Pipe and Trenching
2. Installation of Bedding Sand, and backfill
3. Installation of Marker Tape and Cover Slabs
4. Kiosk S/S site Construction – Excav. And Slab
8. Worksite Auditor Civil

Unless circumstances warrant an earlier review, your reaccreditation is valid for an additional three (3) years from your previous Accreditation expiry date of 1 October 2013 and is subject to:

- an annual review from your auditor confirming the ongoing suitability of your management system and its deployment in the field – as per the VEDN Civil Accreditation process
- satisfactory performance &
- no breaches of the approval conditions.

The VEDN Website will be updated to reflect your current status.

Should you have any further enquiries please contact Stephen Dimech on Ph (03) 5240 7580.

Yours Sincerely,

for Peter Malone
VEDN Panel Member.
